“ To the Olson Family, Victor was my favorite patient of all time. He always had good stories for me and we had many long talks. It was a privilege to know him and I am glad that God blessed me with crossing Mr. Olson's path.

“ Dear Olson Family, I am so sorry for your loss. I feel truly lucky to have met Vic. It was a pleasure to know him. I enjoyed talking with him when he would come to the golf course. I am sure there are no words to make it better. But knowing that Vic will be missed and that you were very lucky to have had a wonderful man in your life is something very special. Seeing how he was with his grandson and all the friends he has shows what a great guy he was. He will be missed by all. I am very sorry not to be able to attend the service. You all will be in my thoughts and prayers. ~Dan Lasure

“ Dear Barb, Stein, Leif and the entire family, I have been thinking about Victor since he passed, and I have been blessed with a lot of smiles these past few days. There are few people in my life who have been responsible for more joy than Vic. In the rooms or on the course, Vic's gentle approach and calm demeanor have set an example for my life. I've always appreciated when Vic and Barb came to my Dad's memorial, and I'll fondly recall so many interactions with your wonderful Husband and Father. God's Best to you. I know this is not the end of his life; God promises an eternity we can't even fathom. While his temporal life may be over, his eternal life is secured.
