“ Dear Renner family, I am deeply sorry for your loss. Vicky and I had flown together a few years ago. She is a beautiful woman. The thing that I admired most about Vicky was her great personality and determination. Like Vicky, I have had set backs as a pilot but had the drive to press on. I am saddened to find out she is no longer with us. I wish I had gotten to know her better. We had so much in common. The last time I had seen her, she was climbing into an airplane. Victoria is in my thoughts and prayers as well as your family. God bless you for bringing her into our lives. She will be missed.

“ Dearest Jeanie: I am so blessed to have known Vicki, and so sorry for your loss. I remember Vicki cooking us dinner and wanting everything to be just so. I will miss her just coming into my house and not knocking, just hearing "HELLO" are you home? I will miss her yelling at me to come get in the pool or just checking in to see if I needed anything from the store before she'd go shopping. She was so beautiful with a beautiful smile. I will always be here for you. All My Love.

“ My Dear Friend Jeanie, I love and care about you so much I can barely find the words right now to say that will comfort you. I wish I could be there with you so we could cry together. I've had the pleasure of meeting Vicki and having her in my home a few times when I lived in Colorado. She was just passing through!!! I'll never forget her sitting in my guest bathroom after her shower painting her fingernails and just talking away to me as I sat outside the door on the floor listening. Vicki was a spirited person and afraid of nothing. This is a cute little story I will never forget. One of the times Vicki stayed with me my in-laws from Missouri were in town visiting and Vicki naturally fit right in with all of us and become friends with the "in-laws". They took to her also like one of their own. It's was so funny to me she got along much better with my Mother-in-Law then I did. John's parents being the good Christian folks that they are invited Vicki to stop in and see them if she was ever in the Lake of the Ozarks area. Well, sure enough she did it! She contacted them once she arrived and went over and spent the night with them. Again she was just passing through!!! I was so tickled she did that without giving it a second thought. I guess she loved everyone just like her Mom and never knew a stranger. Life takes some turns we are never prepared for and this is certainly one of them. Jeanie just as you have tried to look after her during her life she will now be looking after you. How wonderful is that! If there is anything I can do for you or if you just want to talk I'm there. I'm blessed by knowing both of you. Your friend, Christy Cartwright

“ *My Beloved Sister, My heart aches for you at the loss of your Vicki. God blessed you with this bright, golden child; then took her back way too soon. She has to be very special to him, to do that. Your loss is the cruelest of all, here on earth, though she will now continue looking out for you, along with mom and dad and Julie. We were so blessed to have your vibrant, courageous daughter in our lives. I will forever remember my precious niece and godchild, and visualize her soaring through the skies above, with her long dark hair and gorgeous dark eyes twinkling away. “ Dear Jeanie, As I read all of the entries in this guestbook anyone can quickly see what joy Victoria brought to everyone she met. Although we only spent that one day together when you and Vicky literally dropped out of the sky and landed in our field, it's a day our family will treasure forever. While waiting for help to come we sat as strangers for hours talking around the kitchen table as if we had known each other for a lifetime. We will remember forever that “crazy sheriff” and his famous “FFA” he wanted to call because she didn't get our permission before she landed in our yard. That day will bring smiles to our hearts for years to come when we think about you and Vicky. She lives on in the hearts of all who ever met her even if it was only for a few hours. Our wish for you Jeanie is that you can use the strength through all of us to get you through these rough times ahead. Victoria will definitely continue to fly with the angels, but more importantly she will be doing it her “own way”. Much love, Darrell and Linda Keifer, Katie Karin and Konnie

“ My deepest sympathy goes out to the family and to all who knew Victoria. I was so sadden to hear when I received a phone call letting me know what happened. I talked to "Vicki" on the phone two to three times a day before the accident. I still can't believe its true. I still hear her voice everyday, calling in to find out what time she needed to be at the airport. My heart goes out to the mother and the father of a girl who was always excited about flying. Please know that you are in my prayers. My heart aches for your sorrow. Jerry, I am so sad for you. I know how strong you are. But this is so difficult. Know you are also in my prayers. The girls had so much fun with Aunt Vicky. I always enjoyed hearing their many stories of sleep-overs, swimming trips, nail painting, walking Snoopy and making necklaces. Victoria always gave so much of her time to the girls and exposed them to so many wonderful things. She had a great heart. I feel her absence deeply and pray for strength for you all. God Bless.

“ Dear Jeanie, Jerry, Karl and Family I wasso shocked and sadened to hear about Vicki. She was truly an inspiration to me while she attended Mankato State Universty. I had the privelege to be her advisor and Faa pilot examiner. In the 22 years that I was at Mankato I can honestly say that Vicki was the most enthusiastic and determined student that I have ever known. She was truly a joy to be around. “ Jerry and Family, The look on your face Saturday when you knocked on my door to tell me about Vicki just haunts me. The shock is beyond words, perhaps because my older son is less than two weeks older than Vicki. Then seeing you yesterday after your horrible journey to Kansas, be it Great Bend Airport, clearing out the apartment in Wichita, the drive home in her VW, or this morning clearing out her car, I realize why Vicki was so proud of the Father she loved so much. You two, and Snoopy, are great neighbors and it was fun to see you and Vicki as "roommates". I enjoyed chatting with her on my deck hearing about Karl and his family, her Mom, and Vicki's views of the world and her life. My family joins me in praying for all of you. Your beautiful, fun-loving, feisty daughter's memory will live on for all of us. Most sincerely, Marybeth, Scott and family, Brett and my brother, Tom (see separate entry)

“ Uncle Jerry and Karl, I am saddened over the tragic loss of Vicki. What a life she had. I last saw her a couple of years ago and had a chance to catch up. What a blessing that was. Many of my memories at Grandmas are filled with fun that Vicki and I used to have. My prayers and love are with you all.

“ It is times like these we all know how precious life really is, and how little time we have on this earth. My condolences and sympathies to all of the family. The last time I saw my cousin Vicki was a couple of years ago at my Uncle Cap's 50th Wedding Anniversary. I had not seen her, prior to that, since she was a very young girl. She turned out to be a very beautiful young lady inside and out, and I admired her for becoming an accomplished pilot in a profession you do not see many women enter. One could easily see her passion for flying.
