“ So sorry to learn of Vilma's death. We are the neighbors right beside your homes at the lake. She truly lived her life fully. I always enjoyed that she said exactly what she thought. The lake will be a different place without her. You are all in our thoughts and prayers during this difficult time.

“ *Linda, Laura, and family*
We're sorry we aren't able to make it to the funeral. Our thoughts and prayers are with all of you.
We knew Vilma & Ernie for many years. Our family cabin on Spirit Lake (2 lots over from them) has been there for over 70 years. Lots of fond memories of the two of them. Tom & I visited their place in AZ too. It was fun having them show us around their place there and their crafts they were working on. Both were such kind and generous people. We enjoyed their company.
