“ Our hearts go out to each of you at this most difficult time. Be thankful that your father did not linger and when a cure was not meant to be that God looked down and said "Peace be Thine". We loved your parents dearly and know that they look down on each of you and smile. Psalm 51

“ John, Mary, Anne & Carl,
I want to extend my sincere sympathy on the loss of your Dad & Mom this past year. Even though we are friends from a long time ago and from a place you left decades ago, I have enjoyed your Mom's Christmas letters to my Mom and have kept up to date with your family. I still remember hanging out at your house with John as a kid and was sad to see your family move. I remember the time that we went to your house and your Dad contacted one of the Thompson kids through his shortwave radio down in South America. That was a big deal at the time and still is one of my memories of the Bartell family. I want you to know that 40 years later, you & your family are still on our minds. My Mom wants you to know how sorry she is for your Dad's passing. She would love to get in touch with you if she could. She is not an "emailer" so if you could forward me a number, she would love to talk to you. All my prayers are with you during this difficult time and want you to know that your Dad & Mom will stay in my memory as good friends.
