“ *Most of my memories of Aunt Vi are tied to kitchen tables and living room chats (like all good Midwestern Scandinavian women). They are warm memories of laughter and coffee, lemonade and family. She loved to laugh but had that quiet, serious Kallstrom side that floated underneath. She was down to earth, caring and appreciated all the little things that make life joyful, beautiful and meaningful. I will treasure every visit in Coon Rapids or at Lake Osakis and am grateful for her presence in my family and in my life. Peace, love and light to all of my cousins and their children as we gather today to celebrate her life. Carrie Kallstrom Herfindahl*

“ My name is Michael and I delivered medical equipment to Viola twice a week at Autumn Glen. I know I talked with some of you when I picked up some equipment today (Wednesday) but I want to reiterate what a beautiful soul she was. She was always so kind and gentle. I will never forget her inviting me to her last birthday party for a piece of cake and some conversation. She was smiling and talking and it was sheer joy being even such a small part of her life. She had grace, dignity and a sense of humor, and I will never forget that. I will miss her and her wonderful family. God Bless each and every one of you.
