

Viola Marie Mettler

February 26, 1929 - April 19, 2020

Mettler (Hubbard), Viola On Sunday, April 19, 2020, Viola Mettler (Hubbard), loving wife and mother of four boys, passed away at age 91. Viola was born on February 26, 1929 in Little Falls, MN to Axel and Adina Johnson. She received a degree in Theology from St. Paul Bible Institute and a Bachelor degree in Music Education from the University of Wisconsin-Parkside. In her early years she played marimba and piano on the KTIS live broadcast of the 900 Club with Forest Boyd. She was an accomplished piano teacher with countless students over the years, both young and old. She also applied her years of experience as a church choir director to established a youth choir called "The Believers." More than a music group, it became an extended family that changed the lives of many young people for years and created bonds that continue to this day. In her later years her love and passion for others was seen as she traveled on mission trips both in the US and abroad. Although she had four sons, grand children, and great grandchildren of her own, she was called "Mom" by many. Self sacrificing, loving, gentle, with an infectious soul, she had an endearing way about her. She loved Jesus and His love shined through her. She will be greatly missed. Viola is survived by her brother Dennis, and four sons, Perry, Tim, Paul, and Daniel. Due to the current pandemic there will be no service at this time. Any memorials may be given to the Gideons International in her name. Washburn-McReavy.com
