"A gentle soul who possessed grace, kindness, and laughter ("goody goody").

A woman intensely, deeply loved, and who brought joy to all.

Violet enjoyed arts and crafts and created an art gallery in her room.

Violet also researched and chronicled the history of soap operas in American pop culture, leaving behind a wealth of albums."

“ *The time I spent with Violet at Ebenezer were some of my favorite memories of my time in Minnesota. She was such a gentle and loving person and always was the highlight of my day when I visited. She got such joy out of coloring and showing off her art to the nurses. I am incredibly sorry to hear of her passing. I will never forget her and the joy (goody goody!) and smiles she brought to the faces of so many.*
