“ My Mom Dolly introduced me to Tiny when they both worked at Shopper City I think I was 13 or so, we went to school together, went out together, that girl loved to dance when she was pregnant with JJ we were at a concert at the state fair and she shook up the whole dance floor and JJ too. It was great , She was a second mom to my Brenda and Britt when they were just starting school her boys and my girls were together a lot in there younger years. I know mom was waiting to greet her at the gates of heaven. The Good Lord now has his hands full with the two of them. We are so very sorry for your loss, there will be a very bright star in heaven. Our prayers are with all of you at this time and always
