“*Doug and Avaunne Hed were close friends of Virgil and Harriet. We last visited with Virgil in 2018 at a rest home just South of Fargo ND. He was delighted to see us again.*

“*Virgil was my dad's best friend at Pioneer. They clicked. Two men who had lived such lives of substance trying to make sense of the changing world.*

*Virgil truly represented the Greatest Generation. His steadfast faith and love of his roots, music and family made every visit with him a real treat. He was sharp and interesting and honest to the core. What a gem.*

*A great father is such a blessing.*
