“ So sorry to hear of Virgil's passing. Our group got to know Virgil when he visited Athens to watch Jeff play basketball at Ohio University. He sometimes rode the Jan's Fans booster bus to away games and was considered one of the gang. He was appreciated for his quick wit and friendly manner. He learned to play euchre and eat baked steak while visiting Athens and was a friend to all. We will miss you Virgil, deepest sympathy to the family at this difficult time.

“ Sorry to hear Tim. We did not know until it was too late to attend, but we were thinking of you and your family, and the great times we had together. Jimmy and Rob send their heartfelt condolences and just wanted to thank you and your Dad, for all the great times up north, and the laughter we all shared in the shack and the open fields together. Take car Buddy. It is never a good time, but He really enjoyed life to the fullest. A good example to us all. Keep yer Powder dry hot shot. Good hunting my friend. Bob Laurie and the Boys. Two ducks with one shot!! Who ever heard of that for real!!! But we did.
