My Ginnie,

It has been one month since you left us. I cannot tell you how much I miss you. I know you are in a better place but you are still in my thoughts all the time. You would have been so proud of the "kids" at your Memorial Service. They all did a terrific job, especially Bruce. I don't know how he kept it together but he did. I couldn't, and still can't.

Rest easy, my love. Don

“ *Don and Caren - I'm not sure if you remember me. I was the Gow's next door neighbor and remember them - and Ginnie - so very fondly. I was very sorry to read of her death and have been thinking about you. My sincere condolences.*

“ Even though I never had the pleasure I know her daughter Jill well
and if she was anything like her daughter the world will be missing
an angel! May my prayers go with her to heaven.....

“ And a great mother in law! When God made Ginnie he broke a
mold!! She is one of the best at giving a person positive feed back
and will be an angel for ever. I feel as if I lost my own Mother.
