“ I will never forget Mamaw and all the talks we have had over the years. I will never forget how much she loved the boys and all the things that she did for them. I am very happy that I was lucky enough to know her for the last 19 years and will always remember her story's and how I couldn't figure out after so many years that she still had her southern accent even though she lived in Minnesota for so many years her memory will live on in our hearts for the rest of our lives and forever thankful she was in ours
