“ *Carole and Linda, I am at a loss for words to express my sadness at Aunt Virginia's passing. Like her father and her brother who went before her, I just sort of expected her to live forever. She was such a wonderful Aunt, sharing long, sometimes difficult to read, letters that I cherished. I know she enjoyed getting my letters and pictures, as I could feel the joy in her when she wrote me about them. I will miss her letters dearly. I rest in the hope that through God's grace, I will see her and Uncle Arthur again someday. In the meantime, hugs to both of you and your families during this sad time. Love, your cousin Marilyn Platter*

“ Aunt Virginia will be so missed by our family. She truly was one of the sweetest, most precious people in the world. It was always a treat to talk to her. Her letters were like we were sitting at the table together sharing a cup of coffee and having great conversations about "everything." She always kept up with our family and was always interested as to what was going on in each of their lives. I can't tell you how much she will be missed by all of us. This is a very sad day for us. She was a constant support to her brother (Raymond) after he lost his wife, as she knew exactly how it felt to lose your mate of many years. Now, she has been reunited with her dear Arthur. Soar high Aunt Virginia. If there ever were angels on this earth, you were certainly one of them. We love you Aunt Virginia. Heartfelt condolences to Carol, Linda & families.
