“ *I have such fond memories of Virginia -- from the kindness of opening her home to me at Thanksgiving and other holidays to talking about her highly entertaining life stories -- and particularly the pink tea cart. Her open heart and sense of humor will truly be missed. I am so sad that I was not able to be with everyone today, but I send my love to Virginia and the whole family.*

“ To the Olson Family, The memories of growing up, of the team of Clint and Virginia, with Clint being my Dads First Partner on the force and the time out two families got together bring a smile to my face and warmth in me heart. Then on Christmas eve when I went to Careview and saw the whole family gathered around your mom and the feeling of such love, the caring and knowing that the journey was complete, it truly gave me peace. Always be thankfull of the times the family had and the memories that come from being a family. Do things get better? well the are just different and thats still OK. May God wrap his loving arms around you and bind you all together.

“ *Virginia was my Minnesota mom. I was at her Easter and Thanksgiving tables and she hosted my wedding shower. There is no sweeter memory than giggling in concert with her. I can hear her laughing now. Sympathy and love. Brenda*
