“ Dear Thomas family,  
As one of Ginger's life long friends my memories of "Mrs. Thomas" are those of a gracious, thin, elegant woman, with always a smile for any guest who entered her domain. No matter if it was a friend of the boys or Ginger, or a workman helping Dave with a project, she always turned, smiled and said, "How nice to see you." And, the recipient of her warm smile knew Virginia meant it. There is no word in the English language to describe how it feels to lose your mother. Prayers to you all,  
Monica Moran Robb and family

“ *Dear Dave and Family,  
My sincere sympathy in the loss of Virginia. We've been out of touch  
for many years but I have fond memories of your association with  
Sam and St. Paul Clothiers.  
Sincerely, Bernice Upin*

“ My deepest sympathy goes to the Thomas Family, Your mother was always special to me as she was concerned about me after the deaths of my parents. She was there when the holidays came around or that Thomas Sunday dinner and told me that there is a chair for me at the table. She made a part of your family, as I didn't have one. No question about it, she invented the hockey mom. She was a elegant lady that will be missed. Lee B.Otis
