“ *I'm so sorry for your loss. Death is a very painful and unnatural event. I hope Rev. 21:4 can bring you some hope and comfort during this time.*

“ *We were classmates at Madelia High School and Vivian was a supporting member of our class of 44 and a good friend to many. She attended many of our informal class parties and always had a kind word for others. In her Senior Personality interview, Viv was described as "a real swell girl," which reminds us of the language of the times. She will be missed in our future reunions.*
