*I remember her surrounded by all the kids - her own plus all their friends! Chaos all around while she held steady, filling the milk machine and loving all the children! She was a beautiful woman and will always be remembered fondly.*

*Nana Vivian will always remain a light in our hearts. It was great to see her & Dad(Ivan) travel to Sweden together & it so much fun when she stayed with us in California for several months. The girls still call her nana Vivian and will never forget her. I wont' forget the funny arguments her & dad would get into(lol!) - they were more like brother and sister than cousins. Scottie Meriwether emailed us over the weekend and let us know. She was always so positive! Will never forget....Love & Sympathy, Cindy Seablom, Kristen, Lexie & Anna (I am the one with the twins in California)*
