“ Hi Grandmahere is a poem I found I think it is perfect for you. It has been almost a year since you have left us and you are missed very much. The author of this poem is anonymous:GRANDMOTHERGrandmother hugs and grandmother kisses, hot oven cookies and holiday wishes, attics of treasures of children grown old, stories of magic and princes so bold, oceans of patience and rainbows of love, a bright ray of sunshine sent from above. When shadows are dark, I reach through the night, the love of grandmother shines like a light.
