“ *To members of the family I send my sympathy for your loss. It was an honor to be involved in some of her medical care over the years. I too will miss seeing her in the office and enjoying her always positive attitude.*A. Stuart Hanson, MD

“ *Vivian was a remarkable, gracious woman. She was the second Minneapolis Queen of the Lakes and brought dignity to the crown. Her pride in the festival's traditions allowed her to be a font of welcome festival history and a treasured role model for the Queens who followed her elegant example of styles and smiles and love for the city of Minneapolis. Sending memories and hugs, Pam Albinson*
