“ Just learned of my Uncle Wade passing. Sending my condolences to my Aunt Marcia, cousins Sandy and Steve. You will be in my thoughts and prayers. Wade was a great guy, clearly a strong family man. Good father, there for his kids, kind of man. Quick to smile, wry sense of humor. I remember seeing him at work in the family business, he could have done so much but they just wouldn't let him. I always wished our families would have spent more time together growing up. Will always cherish the few times we did though. Wishing you peace, comfort, courage, and lots of love at this time of sorrow. My heart goes out to you at this difficult time.
