WALLACE JEAN ANDRESS

It is with immense sadness that we announce the unexpected passing of Wallace Jean Andress, of Golden Valley on July 3rd 2022, at the age of 58. We are comforted by the fact that he is with our Lord and Savior, Jesus Christ. Wally was born April 3rd, 1964, in Robbinsdale, Minnesota and grew up in Golden Valley. He married his high school sweetheart Janine on August 10th, 1991. Wally and Janine bought his childhood home from his parents in 1998, and raised their twins, Amy, and Nick, in a great neighborhood. He is survived by his wife of 30 years, Janine, daughter Amy, son Nick, dog Axl, cats Leo and Rosie, sister Janelle Kelly, brother Douglas Andress, nephews Will Kelly and John Kelly, niece Carolyn Kelly, along with many dear friends. He is preceded in death by his father, Guerney Andress, and his mother Leona Andress.

In his free time, Wally loved to fish, smoke cigars, golf, camp at Voyageurs National Park and the Boundary Waters, and play Candy Crush. He never met a whisky he didn't like. Wally was a great handyman, who could build or fix anything and was always willing to help family or friends on a project. He loved 70's and 80's music, and his favorite movie was the Blues Brothers. He loved his cats so much that he made a sling so he could work while they laid with him. Wally was loved by everyone who met him, and he will be greatly missed. A visitation will be held on Thursday, July 7th from 4-7 P.M, and the

funeral service will be held on Friday, July 8th at 2 P.M. with a second visitation taking place 1 hour prior. Both the visitation and funeral will be held at Washburn-McReavy at 1400 Mainstreet, Hopkins, MN 55343.

“ I’ve known Wally for 22 years; great times and memories with trips to the BWCA, numerous rounds of golf and countless hours of conversation.

We shared the same enthusiasm on improving our golf games, enjoying cigars, talking politics and discussing whiskey. Lately Wally was making a habit of besting my score at the golf course, a regular occurrence.

He was my confidant, advisor, invaluable helper, ally, motivator and story teller.

A friend of Wally’s caliber is very rare. I was fortunate to have him as a friend. I take comfort in my faith and knowing I will see him again someday.

“ Wally was the kind of big brother that anyone would be lucky to have. He was my Chief Tormentor (as big brothers tend to be) and also my Chief Protector. He talked me into and out of lots of trouble. He fed me dandelions and rotten apple cores and gave me an opal necklace for my 16th birthday. He prank called me pretending to be a boy I liked but scolded our mom when she let him take me out 3 days before my 16th birthday. He taught me to love 70s and 80s music, stole my sleeping bag on camping trips, tickled me until I couldn't breathe, and let me cry in his arms when my heart got broken. He was my big brother, my friend, and my kids' treasures uncle. Rest now, big brother.
