“ *I'm very sad to have recently heard of Bud's passing. I learned so much from him, from the time I started in the foodservice industry in 1968 and thru nearly 20 years at Palm Brothers. His stories of maple syruping, and wild BWCA trips were always great to hear. While we did not keep in touch after I left Palm Brothers, I have always considered him a friend and have thought of him many times over the years. As a fellow outdoorsman, I know his spirit will always be in the woods...and I will say hello. Craig Blowers*

“ *Mr. Nachtigall was the friendliest dad of all my Minnehaha friends, he was always busy with a project and a ready smile--he loved sitting by the fire pit that he built in his backyard. He was always the perfect host and I shall miss him. Prayers of comfort for Mrs. Nachtigall, Kris, Paula And Butch and their families.*

“ I remember Mr. Nachtigall as a kind and warm-hearted man. As the new kid across the street, he'd always give me a big wave of the hand with a smile on his face whenever he saw me. His love of the outdoors was infectious. He will be missed.

“ I remember the fun we had as kids playing baseball by the pump house on Ellerdale Road. I remember 'Mr. Nachtigall' as a kind hearted man with a genuine love for people. I am sorry for your loss. Jennifer Morton Sirjord
