“ *I send my deepest sympathy to Wally's family. I worked with Wally at Martrex, Inc. many years ago. I remember him as a wonderful person. He was a wonderful Christian. I know that he is with the Lord. I spoke to him on the phone again now many years ago on veterans day and thanked him for his service. I remember the story he told about being rescued on ship that was bombed and it was a miracle that he survived. May the Lord give you his family & Katie his wife peace and comfort.*
