“ *Dear Jean and family, we were so sorry to hear of Walt's death. Seeing his obituary in the paper brought back some good "old time" memories Jean, remember when we went snowmobiling together, and when Walt took us up flying, I think from the Winsted airport. We had fun times! We hope you have many, many fond memories of your years together that will comfort you in the coming months. We'll think of you often, and pray for your peace and solace.*

*Sincerely,
Larry & Vivian Mahlstedt ("Vivi")*
