“ *Katie,*

I am so sorry for the Grand Loss of life your going through. I wish there was something that could be said or done to help carry your family through the pain. Every time there was discussion of Katie and Wally or Wally and Katie both of your names were referred to which tells me you had a Wonderful Bond with each other. We sure enjoyed the delicious dinners and Bonfires you had for us, great memories will be remembered, appreciated and never forgotten! We are forever grateful for the precious times spent together. Your family is in our thoughts and prayers.
