Robbinsdale, Minnesota

Marcia Lucas - August 06, 2012 at 12:00 AM

SB

“ *My aunt Josephine Breedlove Caston used to have me take her to Walter's venues after her husband my uncle Baby Doo Caston (Leonard) passed on. It was a way for her to connect to the blues and the friendship the two of them had with Walter and his wife Shirley. I continued to follow him. It will not be the same without Walter.*
