“ Dear Tim & Brittany,

We are so sorry to hear of the passing of your father. It was not difficult to tell how much you loved him by the way you cared for him and talked of him. May you have sweet memories to help soften the ache in your hearts through the tough times ahead without him.

You are in our thoughts and prayers.

Deepest Sympathy,

Dee & Tami Young

“ I'm going to miss my father in law a lot. Not ever going to forget how he would make food and tell me to try it even when not hungry. I am going to miss his crazy sense of humor the most.

My father will be missed very much by many people, and I will miss the sound of his laughter when we were together. He was always smiling and happy. He had so many stories to share, that's what I will miss the most. He loved to fish, and I wish I would have paid more attention to his fish cleaning techniques because he was the master!
