Wayne at Upper Sioux Agency where Ancestor Peter Patoile (Patwell) escaped the Indians!

“ Wayne, I just sent you a photo of our great grandfather, Peter Patoile, and it came back, so I called you to discover you've left us. I'm pretty sad that I did not know about your passing until today, but at least you seem to have gone out fairly unscathed. You were such a funny, happy guy and I will surely miss our "cousins" genealogical treasure hunts at the cemeteries! Not many people enjoy going to the cemetery. Now, I'll be visiting one more relative and remembering the fun we had visiting our ancestor's escape route at the Upper Sioux Agency near Granite Falls, MN during the Sioux uprising of 1862. With a bullet through his chest, Peter Patwell walked 200 miles in 13 days and lived on to marry Bertha and have your ancestor, Albert Cody and his brother (my ancestor) Ray. Now you are face to face with Peter, Pierre and all the others and someday I hope to enjoy a large family reunion with all of you in heaven. God Bless your family and Beth and Diane. You reminded me of my grandpa Ray, he was your great grand uncle. Love to all your family!

I am so sorry to hear of Mr. B's passing. In many ways I owe him my career in HR. He took a chance on a college graduate with no real experience. More importantly, he was a genuinely nice man and I have many fond memories of our times at the bank. My thoughts and prayers are with his family - he will be missed.
