“ *The love and support that Wayne and Mary gave to my Grandparents Larry and Augustine Boylton and my family is impossible to measure. From my earliest memories of our families going to the circus to graduations and BBQs, they were always around, often giving Larry the ribbing he deserved. Even after my Grandparents passed, they would still show up to support my sister Danielle and me-always with warmth and humor. I'm deeply saddened to hear of Wayne's passing, but grateful I was able to know him. RIP good sir. Thank you for being part of my family.*
