“Everet, Paul, Jennifer, family & friends... The longest wait of our lives was the hardest time to have the knowledge that Wendy would pass too soon. She tried so hard to complete everything quickly. To see Paul & Jenny grow up... to see her grandchildren born... but never be able to grow old with her loving husband, Ev. We were neighbors and friends for many years. Birthdays, anniversaries, holidays and deaths brought us together. Wendy & I were 9 months apart in age and I felt like her sister most of our time sharing our neighborhood. I will miss her fighting spirit. Always in my heart, lyn.
