“ *Bill,  
it's so difficult to say goodbye to our mom and dad. You have my prayers and best wishes. So many memories when I used to pick you up at your home and your mom and dad always wanted me to come in to visit. Maybe I'll see you this summer when I make my make to the Twin Cities.*

“ *Uncle Bill was always genuinely loving to all of his nieces and nephews. I loved him so much and will miss his tight hugs, great laugh ( that's just like my mom's) and stellar dancing skills. Love to you all and know that you're in my prayers.*
