“ One of my greatest memories was when I received tickets to the Edinburgh USA Golf Course International Pro Am and talked Bill into coming with me. I am going to guess this was in 1997? We walked the whole course watching the teams play. We also did the Long ball drive contest. We had lunch in the amazing Clubhouse (I had free lunch tickets also). We had such an interesting time. Dad was telling me how each player teed off wrong (grip, twisted arms, to far inside or outside, to far up or down). Dad also criticized the putting techniques. It was an amazing day.  
My second greatest moment was dancing with him at Lindsey and Eric's wedding. My dad danced with me always, so to be able to dance with Bill was a blessing.

“ I remember as a kid, daddy & I used to watch Star Trek the original series together in evening after dinner dishes were cleared. He sat in his chair & I sat on the floor next to him. We rarely missed a show, it was our thing. We also watched M\*A\*S\*H together. A flood of memories come back every time I see those old reruns! Scottie finally beamed him up
