“ *Uncle Willard, I miss you but am happy knowing you are at peace now and with Aunt Alice. You both did so much for me, making sure I always received a birthday card on my birthday and updating me in your Christmas card each year with your wonderful letters. You spent YEARS researching our Johnson family tree and I will treasure it always. I love you! Allan (Cheryl), Loren (Jodie) and families: you continue to be in my thoughts and prayers. God Bless You All and know that I am happy that we are family! Love you all, Debbie*
