

William Calvin Barott

March 8, 1960 - April 18, 2021

William "Bill" Calvin Barott, age 61 of Brooklyn Park, passed away on April 18, 2021. Bill was born on March 8th, 1960. He was to be the baby of the family of four siblings. He grew up in Columbia Heights and graduated in 1978. He was a Boy Scout with his troop from his church "Community Methodist". He eventually became a Scout Master for a handicap adult Boy Scout troop which he led for several years. Bill started his career at Honeywell in August of 1978 and remained there for 39 years. He started as an assembly worker and retired as a Group Leader. He held many jobs within Honeywell working at most of the facilities around the metro area. He was awarded many cash awards for his suggestions to improve the workflow of the assembly lines. He met Carol while working in the Optics department at Honeywell and they married on May 22nd, 1982 while they were both laid off from Honeywell. They moved to Brooklyn Center and bought their first house and lived there for nineteen years with Jason and Carissa. Bill started his volunteering early in his adult life. He was a Sunday School teacher a youth leader, a Trustee for several years and started our church's disaster team with Carissa. They went on several trips together including Katrina, Rogers, southern Minnesota. He joined with Samaritan's Purse and worked on the flood damage of Duluth. He worked with the Honeywell Volunteer group several times a year fixing buildings around the metro area. He also built houses with Habitat for Humanity around the city. Bill's goal was to be able to retire and work on disasters once a month. He physically could not do it. Towards the end he

would oversee the trailer for a disaster and encourage the workers. He helped where he was needed including going on mission trips with our church youth, as a youth leader. During this time, Bill and Carol were also marching band chaperones for Champlin Park High School for eight years. He made many long-time friends and went on all the band trips with his children. During all these years Bill had a strength that carried him forward in life. He conquered Colon cancer, his first stroke, and many surgeries for pain in his bones. He made it back from his first stroke to go back to work and ride his bike for miles. He enjoyed his grandkids, Aidan, Riley, Autumn, Graysen, Seraphina and Benny. He and Carol went to the State Fair every year with the grandkids, and he usually made Carol go back several more times. He enjoyed many trips throughout his marriage with Carol and the kids and with Aidan and Riley. He had a hard time leaving his family in the end. He is leaving many friends, family and loved ones. He left his imprint upon our hearts, with cherished memories. He served God well! Flowers can be ordered from Elk River Floral 763-441-3950.

I was friends with the family of Bill during his childhood, and spent many weekends at their house in Columbia Heights. Bill used to drive his toy car on me to wake me up to watch cartoons with him on Saturday mornings. His Mother and my Mother were Best friends since their early 20's or Teens. His sister is my friend.
