

William (Bill) F. Buelow

October 7, 2018

William (Bill) F. Buelow

Age 84, of Bloomington, MN passed away October 7th 2018.

He died at home with his loving family, Visiting Angels and Bright On Hospice team attending to his every need & wish. He remained conscious and in control of his desires, until the very end of his battle with prostate cancer.

William was born in Duluth, MN on September 24th 1934 to William A. Buelow and Helen M. Buelow. He is survived by wife Bette, 63 years married. Son Todd (Jane), Daughter, Jill (Dr. Robert Boyat), granddaughter Allie, adopted granddaughter Heather & 3 great grandchildren. Brother Neil (Sandy), sisters Beverly, Mary (Phil) and nieces and nephews.

He was a hardworking, skilled machinist and an employee of Phelan Mfg. Corp. for 62 years. Bill was the company president from 2005 to present. Also, a tremendous inventor of hundreds of products to support the medical, laboratory & food service industries; an out of the box thinker & mechanical genius. Bill's ideas were highly sought out by many customers, colleagues & friends. He could figure out any mechanical challenge that came his way; while really enjoying the process of problem solving.

A passionate outdoorsman, Bill, loved to hunt, fish, golf & spend time at his family cabin. He was always looking for the next new hunting spot.

There will be a private burial and a celebration of Bill's life at a later date.

In lieu of flowers or donations, please make a pro-active medical decision for the benefit of yourself and your loved ones!
