“ Uncle Bill you have such a special place in my heart. You really did bring so much joy to my childhood and adulthood just by being you. Thanks you for introducing us Boise Girls to so many great Minnesota love from curling to family traditions to highballs and so much more!

*I always felt like I belong when you were around. Your legacy and spirit lives on in so many of us.*

*To all who of us left behind, may we keep the memories, moments and lesson knowing this incredible soul close so that his legacy lives on through us.*

*And while there picture my seem a little out of context for some...There isn't any other Uncle that I would see a sign in English during my travels around the globe with his name, a incredible description of who he is and make sure I stopped in the crazy humid heat to find a public Wi-Fi source so I text it to him right away.*

*Rest In Peace, Uncle Bill. ❤️ ☐*
