“ Our condolences to the Connelly family. Bill became a friend when he worked at the bank in Grand Forks. He volunteered to serve on the U of Minnesota Crookston (UMC) advisory committee and served for many years. We traveled together to meetings in the Twin Cities and he was very supportive of the students and programs at UMC. His smile and kind manner were something special.

*Don Sargeant, UMC Chancellor from 1985 to 2002.*
