“ Bill and I have been friends for over 75 years. I remember growing up. We would go camping at tinker toy down on the Mississippi River. Both of us had very little money in those days. But I always remember Bill's Dad, Oliver, he would bring us a pie or baked goods late at night, from his work. We would sit around the camp fire eat and tell stories.

Bill and Ann have always been two of our best friends. I'm God Father to their Daughter Sandra and Bill is God Father to our daughter Lorrie. Bill was always

A great family man and loved by everyone that knew him. I know my wife and I will really miss our visits and treasure the time we spent with him and Ann.
