“ There is no greater memory than the sound of a friend's laugh, and Bill had the loudest. Lots of great memories from our years at Honeywell.

“ My deepest condolences to the family of Bill Forby. I was fortunate to have met Bill as a ninth grader at Robbinsdale Junior High. Throughout high school we became close friends. He was such a sincere, fun loving individual. He had such a great laugh. I ran into Bill several years ago at a RHS Alumni mixer, same old Bill with great stories and that GREAT Laugh. He will be sadly missed but never forgotten.

“ My condolences to the family of Bill Forby. I met Bill while working at Quality Lincoln Mercury in Bloomington. He was a great person and a good friend. We kept in touch for quite some time following our time in sales at the dealership. He was a kind and gentle person that come into a lot of tough luck. I lost track of him as his health worsened and couldn't get in touch with him in later years, but I thought of him often. A special person with a great sense of humor. Larry Muehlberg, Excelsior.
