“ One of the best next door neighbors one could have along with his wife Audrey and his younger children Annie and Mark when Bill lived in Tampa. He ended up providing an excellent babysitter for our boys in his daughter Annie and an older brother to our boys in his son Mark. And, who can forget that we ended up with our first dog, Heinz, because the family fed this dog outside of the back door of our home unknowingly so we assumed the dog wanted us to take her in. I guess they did not have enough beds in the house for when John visited we would find him on occasion sound asleep in the front seat of his car at the break of dawn. Bill, thanks for the memories.

I am so deeply sorry for your loss. One of the best days of my life was when I began to work as Audrey's caregiver. After she passed away I continued to help Bill with a few errands until covid. Then we connected by phone. I grew to admire the two of them and loved them as family. I will never forget our great times and laughter that we shared, truly a great inspiration in my life. I will continue to pray for your family and thank you for allowing me to be a part of all your lives. Love, Cathy Jo Reihe
