“ Bill was a very good friend. We knew each other for over 25 years. We met through the dog world showing our little cairn terries. We had great times going to dog shows. For about the last 5 years or so Bill would call me about once a month just to say hi and talk about our dogs his ruby especially. He always called me around my birthday which is in Dec. as we were the age. What a shock to read the death notice today and also see ruby must have died since I last spoke with Bill. How sad he must have been. I will miss his phone calls and all his kind words. My deepest sympathy to his relatives. He was a wonderful person. rest in peace Bill.
Friends always

“ Bill, Joan and I shared the same interest with our love of the Cairn Terrier dog. We both obtained our dogs from the same breeder and spent many hours walking them.

Something else that I shared a common interest with Bill is music. I played professionally as a string bass player with the Minnesota Symphony Orchestra (formerly Minneapolis Symphony Orchest). Bill sang with Maddy Metsger's choral group and knew Max Metsger.

We will miss him.

“ *Bill*

I will surely miss your smile and how you could brighten a person day by making them laugh when their day was so grim.

For the Bible says to be absent of the body is to be present with the Lord, and I can image Bill in heaven walking around talking to everyone and putting a smile on their face like he did here.

God Bless
