“ My heart goes out to the Kelley Family, during this difficult time. I only had the pleasure of working with Will for one short year. He was a great man and I had so much respect for him. Every evening before I would punch out, Will would wish me a blessed night - I'm filled with joy knowing he believes!! He is in a better place, his forever home! Hallelujah!

He is missed by so many in the USPS family. My condolences go out to his loved ones and you are all in my prayers. May God bless you and keep you, now and forever.

“ I am deeply saddened to hear about William's passing. It truly broke my heart and I am so devastated. William was a very nice, loving, caring, and genuine man. I remember visiting Minnesota a lot when I was younger and he and my aunt welcomed me into their home and allowed me to stay there during summer vacations. He always made sure I was taken care of and enjoyed my stay in Minnesota. He meant a lot to our family and it hurts that he is no longer here with us. Although, I haven't seen in a while, I was planning on going to Minnesota to see him and my aunt. I truly feel bad that I cannot attend the funeral but, I am there in spirit and my heart goes out to the love of his life, grandchildren, and his step children. William is loved by so many others and the nickname "Buddy" definitely describes him. I will forever miss his loving spirit and beautiful smile. My condolences go out to the family. We love you Buddy!
