“Dad you are very missed, especially by the grandkids! Everytime we see the twins game on Justin says I bet grandpa is watching from heaven. He hates to see anyone else sit in your chair and just pretends you are taking a nap in your room.

“ You took me in when I was not wanted. I made it my mission to be your faithful companion and home security system. I helped you with looking after and feeding the birds and rabbits. We had many years together and I miss you terribly. Thank you so much for all of your love. I hope to see you again in heaven.

“ *connie and family. We will miss our friend and neighbor. A lot has happened in the last 40 years. the animals, the birds, and that noisy peacock. One year there was a goat. It was fun watching all the activity in your back yard. Bill was so willing to answer our grandkids questions, some of which were just plain dumb. He allowed them to follow him around and help with chores. They will truly miss him also. Our prayers are with you and your family. Maynard & yvonne Kauk*
