“ To Mork Family-Bill was a confirmation teacher of mine. I remember him always having a smile on his face. I also remember that he stepped in at the last minute to serve as my confirmation "sponsor". I can still picture him putting his hand on my shoulder as I was being confirmed at St. Stephens. Although this was a long time ago (1990?), I still have very positive memories of that experience due in large part to Bill. Take care and all my best as you cope with your loss.

“ Dear Mork Family, I graduated from Edina-East with Suzy in 1976. The Mork household was always a special place for me to visit. Suzy, Molly and Martha were more my age and Bill and Frank were the youngsters, but I remember the family being so vibrant, beautiful and full of love. I lost my mother to a car accident when I was nine so a tragedy like this really hits home. Luckily, my father's strength and the love and kindness of people like the Mork family helped me during that time. I will never forget them. May the outpouring of love for Bill help you through this very difficult time. You are surrounded by amazing people and they will make sure that his memory is kept alive.

“ To the entire Mork family - I have not had the privilege of personally meeting you - but I just heard the terrible news from a business acquaintance. At our company, we knew Bill as our contact for project submissions to the Twin City Home Improvement Magazine. He always personally dropped off the magazines to us, instead of mailing them, when the issues came out and always had a bright, cheerful, and energetic presence. He talked with so much pride and love of his children, wife, and love of sports - when he came to our office, that we felt we came to know you. We were shocked and so sad to hear of his sudden death, and our thoughts are with you - his immediate and extended family, business associates and every other person whose life he briefly touched, as he did with our company. “ There was something magical about Bill. Something magical about him and the way he lived his life. Perhaps it was when he captured the State hockey championship. As a 6 year old younger cousin, this was just about the coolest thing that could have happened. I grew to idolize him (him and his older brother). So much so that my older brother John and I would often play a game called "Frank and Bill Mork." I don't remember exactly what this game of make believe consisted of... but I am sure Bill possessed heroic capabilities. Perhaps it was the years of Easter brunches at Interlachen when Bill would transform a simple Easter candy into a "magic chocolate egg." He would perform a quick sleight of hand, make them disappear and send them on a magical journey around the world. The eggs would return moments later, re-appearing in my pocket and to this day I still wonder how he did it. Perhaps it was his magical smile and the fact that somehow Bill was able to convince his Uncle to serve "Tahitian treat" at the annual Fourth of July picnic. "Tahitian treat," a soda loaded with so much sugar that I am sure it is making all of the dentists with us today, cringe at the possible ramifications to one's dental health. Perhaps my most fond memories of Bill were recently when we would quietly disappear after Christmas Eve dinner. Together at the neighbor's house or sometimes in the garage, he would transform me, physically and mentally, into the jolly old man in the big red coat. His Christmas Spirit and contagious optimism were as magical as Santa Claus himself. Bill inspired me in such a way that as he sent me off through the snow, with the bag of presents over my shoulder... I actually did believe that I was St. Nicholas and that I had the power to change the world. It is this magic that he has left behind in me... and in each one of us. The magic to believe in the gift of life and to cherish each moment. We love you Bill.

“ I hesitate to write, because I really didn't know Bill that well or for very long. However, I wanted to write to show that he clearly touched a lot of different people at various times during his all too short life. During the 1960's the Huffs lived just one house a way from the Morks. So during his pre-Kindergarten years Bill and his brother Frank were frequent playmates of mine. While, I have watched from a distance as Bill grew up, I have always viewed my short time as his neighbor as a very special time. I am deeply saddened by the news of Bill and I give my best wishes to his parents and family.

It was fun to catch up with him about old times, but I have to say that our conversation turned to the topic of family because of Bill's enthusiasm for his wife and children. “ Lisa, Max and Nina - I cannot imagine the pain you are experiencing. May you be comforted by your Lord, your family and friends, and by the memories you created. I knew Bill at McLeodUSA, and for a short time at Cambria. He was always smiling and ready to engage in fun. I really admired his ability to connect with people and make them feel welcome. May you experience the love and encouragement you need to make it through this time. With my thoughts and prayers. Greg Johnson

I am the general manager for Cambria in Atlanta Ga. and Bill was one of the first people to welcome me into the Cambria family many years ago. “ I hesitate to write, because I really didn't know Bill that well or for very long. However, I wanted to write to show that he clearly touched a lot of different people at various times during his all too short life. During the 1960's the Huffs lived just one house a way from the Morks. So during his pre-Kindergarten years Bill and his brother Frank were frequent playmates of mine. While, I have watched from a distance as Bill grew up, I have always viewed my short time as his neighbor as a very special time. I am deeply saddened by the news of Bill and I give my best wishes to his parents and family.

Billy and I were teammates at Gustavus and I am fortunate to have called him a friend since the day we met. We always talked about the Game and how he loved the history of High School Hockey. “ Lisa, Max and Nina. This tragic loss has caused me to think about some great times growing up with Bill; Southview middle school in Dick Sandeen's class, Bill gave me a nickname and was the only one to call me by that name. Joining Twigs Olivia Newton John fan club and having membership cards to prove it. Admiring Bill as one of two ninth graders to play jv hockey on the Edina East team, he was fast. Bill's laugh, he had such a great laugh and a smile that couldn't be matched. As year's went by Bill would always greet me with a warm smile and then I'd hear his laugh, again. As a friend of ours said, "he was one of the best." My prayers are pointed to you and your children.

“ *Mork Family, Reading the tributes to Billy show how much he meant to all of the people that he touched over the years. I was lucky to consider him a close friend while at GAC and had many laughs with him as a couple of Freshman hockey players with great dreams. That contagious smile and upbeat attitude will stay with me forever. I remember he loved the game and all of the history surrounding it. We talked about his senior year at Edina and trips to Grand Rapids to play the Indians (My home team). I will always remember the good times and try to live live as he did. I am better off knowing you Billy, RIP*

The saddness I feel now is a testament to the significant impact he had on me during the short period I knew him. Bless your family. I am so sorry for your loss.*

“ Lisa, Max and Nina. This tragic loss has caused me to think about some great times growing up with Bill; Southview middle school in Dick Sandeen's class, Bill gave me a nickname and was the only one to call me by that name. Joining Twigs Olivia Newton John fan club and having membership cards to prove it. Admiring Bill as one of two ninth graders to play jv hockey on the Edina East team, he was fast. Bill's laugh, he had such a great laugh and a smile that couldn't be matched. As year's went by Bill would always greet me with a warm smile and then I'd hear his laugh, again. As a friend of ours said, "he was one of the best." My prayers are pointed to you and your children.

“ Lisa, Max and Nina: Our thoughts and prayers are with you during this very difficult time. Lisa, I have always told you how much my family has appreciated your family and your kids - especially being able to coach Max in various sports - like lacrosse. I wish I would have known Bill more on a personal level, but, whenever I spent time with Bill, I always felt like he cared about my family and situations. His warmth and care was felt by so many. I'm sure Bill was a man of faith, including the fruits he bared. I'm confident he's with our Heavenly Father now. “ Dear Lisa, Max and Nina, Bill was an awesome guy! He was always so positive and kind. He always had his priorities in order. We have been friends since the seventh grade. We shared countless memories from the neighborhood. Street hockey in the driveway, junior high at southview. I was on the homecoming court with him when he was the Homecoming King. We had plenty of fun times at GAC parties. Bandy games. Bill had amazing friends in Naz, root, twigs, Crazy, Kaehls, Chris and tons more. I can't think of a better group of friends. My fondest memories are the times spent with these friends. Lisa, you are so fortunate to have had this time with Bill. I remember when you and Bill first went out. The wedding! Wow. He was always so fun to be around because he was so happy and optimistic about life. He had a great sense of humor and made everybody around him happier too. He worked very hard in school and was the kind of person we all TRY to be - but he didn't have to try - it's just the way he was! “ Dear Mork Family, We just learned of Bill's passing yesterday and are still stunned by the news. I have fond memories of watching the Hornets win the state hockey championship in 1984 and celebrating with the Mork family (while at the U of M with Martha). Bill was a great kid and it sounds like he turned into an even more impressive man. No surprise! A tragic loss like this is never easy, but our prayer for you is that you will find peace and comfort in the days ahead and find purpose and meaning from these unfortunate circumstances. This Scripture was read at my father's funeral in 1983. 1 Peter 1:6-7 - "6 In this you greatly rejoice, though now for a little while you may have had to suffer grief in all kinds of trials. 7 These have come so that your faith--of greater worth than gold, which perishes even though refined by fire--may be proved genuine and may result in praise, glory and honor when Jesus Christ is revealed." I can give testimony that this passage is pure truth. Please know that you will be in our prayers moving forward. God Bless you! Love,

“ Dear Mork Family, We just learned of Bill's passing yesterday and are still stunned by the news. I have fond memories of watching the Hornets win the state hockey championship in 1984 and celebrating with the Mork family (while at the U of M with Martha). Bill was a great kid and it sounds like he turned into an even more impressive man. No surprise! A tragic loss like this is never easy, but our prayer for you is that you will find peace and comfort in the days ahead and find purpose and meaning from these unfortunate circumstances. This Scripture was read at my father's funeral in 1983. 1 Peter 1:6-7 - "6 In this you greatly rejoice, though now for a little while you may have had to suffer grief in all kinds of trials. 7 These have come so that your faith--of greater worth than gold, which perishes even though refined by fire--may be proved genuine and may result in praise, glory and honor when Jesus Christ is revealed." I can give testimony that this passage is pure truth. Please know that you will be in our prayers moving forward. God Bless you! Love,

He was one of the first to welcome us to Chaska as we watched tryouts for the first time. Brytani loved having him as her coach last year! She will miss him very much, as we all will! His enthusiasm and positive attitude will live on in so many people that have been touched by his kindness. Bill was one of the finest people we have had the privilege of knowing. We will always remember the impact that he has had on our family, and the Chaska hockey family! He will never be far from anyone's thoughts! “ To all of Bill's family and friends, I don't remember how I met Bill. We graduated from high school together, but we were never on the same sports team or in the same class. We never hung out with the same people. He was just one of those people that everyone knew and liked. We weren't close friends, but he always said, "hi, Shane" and gave that beaming smile of his when we passed in the halls. He was true gentleman and in a class by himself even back then. I'm sure there are many people out there like me who were touched by Bill, but never got to know him as well as they would have liked. I feel fortunate to have had the chance to share even a fraction of my life with him. I am richer for it as are all who were lucky enough to know him. You are in my thoughts and prayers.

“ *Mork Family, I have only had the pleasure of knowing Bill for the last 5 months, I will always remember Bill for his smile and passion for his family. I have had the pleasure coaching Max this hockey season and I will truly miss Bill and the Smile he always brought to the hockey rink. My thoughts and prayers go out to Lisa, Max, Nina and the whole Mork Family. Coach Willis and the Willis Family*

“ *Mork Family, Words just cannot express the pain you must feel. Our thoughts and prayers are with you all. I remember when Billy was just a kid and for fun John Anderson, and others who will go nameless, would throw him (and Frankie) in the pool down at Rio Verde on spring break. Then, to get reacquainted with Bill so many years later in Chaska and learn what a great person he had become and to meet his wonderful family...just a terrible tragedy that is so unjust!*

Bill always had a way of making everyone feel like a close friend no matter who you were or how long you knew him. I had the pleasure of working with Bill for 2 years at Cambria; and I will never forget that million dollar smile of his and I will forever cherish my memories of Morky. May God wrap his arms around you and comfort you on your journey during the difficult days ahead.*

“ Dear Mork Family: We are so sorry to hear about Billy, our hearts go out to you. Although you may not know us, Billy, Nas and Twilliger hold a special place in the Gabrielson Family. My brother and I had the honor of getting to know Billy at Gustavus. There were many great times at the Gabrielson house in Litchfield laughing, golfing, and talking smart. I can still remember the time that Billy had to leave early to have his first date with Lisa. Oh did those boys tease him. “ Lisa, Max, Nina, and entire Mork Family, Our deepest and most heartfelt condolences to you for the loss of your beloved Bill. Our family's constant thoughts and prayers have been with you since learning the tragic news. Bill was the most genuine nice guy I knew on this planet, and your family one of the nicest I know. Bad things like this are not supposed to happen to great people like you, but I can only trust that God had some other need for Bill right now. Maybe he's putting a hockey team together up in Heaven, and needed a coach. Bill would be the only coach I can think of that would be qualified to handle that job. Bill's passion for teaching kids about the great game of hockey had no equal in any coach I have ever known. At the same time, he always kept the game in perspective, and always saw it for what it was...just a game. He genuinely cared for every kid he coached, and that is what made him such a great coach and human being. It was my honor and privilege to coach with Bill. It was my much higher honor and privilege just to know him, and to be able to call him my friend. My life is richer just for knowing him, as is anyone's that ever knew him. Bill will be sorely missed, but never forgotten. I hope you find some comfort in the legions of people that are sharing your pain in the loss of this great man. Please know that our family is here to help you in any way we can to help ease that pain. We love you, Mork Family. God Bless you all.

“ Dear Frank and the entire Mork Family, I can't tell you how saddened I was to hear the news about Billy. My heart just aches for all of you. Billy was such a positive person that it was impossible not to like him. Knowing him at Gustavus through Frank and from playing hockey together, I remember Billy as a good friend who always had a smile on his face and a kind word for everybody. We really had some great times at Gustavus and at the Mork home, where Frank, Billy, and the whole Mork family always made me feel welcome. “ Dear Mork Family: We are so sorry to hear about Billy, our hearts go out to you. Although you may not know us, Billy, Nas and Twilliger hold a special place in the Gabrielson Family. My brother and I had the honor of getting to know Billy at Gustavus. There were many great times at the Gabrielson house in Litchfield laughing, golfing, and talking smart. I can still remember the time that Billy had to leave early to have his first date with Lisa. Oh did those boys tease him. Although we have not seen him in many years we will never forget his infectious smile and generous soul. Our thoughts and prayers are with all of you. Kim Jonas, Dave, Judy, Jill and Kurt Gabrielson

“ Lisa, Max and Nina: Words cannot express how sorry we are for the loss of Bill. I have been a friend of Bill's for over 20 years and coached hockey with him the last 4 years. I am not only a better coach from knowing him, I am a better person! I know Billy is up there looking down on all of us with his big smile. “ *Lisa and Family - I was so saddened to hear of the tragic loss of Bill. You and your family have been in my thoughts and prayers since I heard. Bill always had a way of making everyone feel like a close friend no matter who you were or how long you knew him. I had the pleasure of working with Bill for 2 years at Cambria; and I will never forget that million dollar smile of his and I will forever cherish my memories of Morky. May God wrap his arms around you and comfort you on your journey during the difficult days ahead.*

“ *Mork Family, Words just cannot express the pain you must feel. Our thoughts and prayers are with you all. I remember when Billy was just a kid and for fun John Anderson, and others who will go nameless, would throw him (and Frankie) in the pool down at Rio Verde on spring break. Then, to get reacquainted with Bill so many years later in Chaska and learn what a great person he had become and to meet his wonderful family...just a terrible tragedy that is so unjust!*

“ *Lewin and Mork families, It is so hard to respond to a loss so extreme occuring to such amazing families. Bill was one of the those people that everyone admired and loved. When Lisa told me Bill and her were dating and then engaged, both times my immediate feeling was 'well of course.' Their match made sense and just fit. The world has lost an amazing man, and it is a better place having had him in it. Lisa, you and your family are in my thoughts and prayers. May you find some peace during this difficult time.*

“ To all of Bill's family and friends, I don't remember how I met Bill. We graduated from high school together, but we were never on the same sports team or in the same class. We never hung out with the same people. He was just one of those people that everyone knew and liked. We weren't close friends, but he always said, "hi, Shane" and gave that beaming smile of his when we passed in the halls. He was true gentleman and in a class by himself even back then. I'm sure there are many people out there like me who were touched by Bill, but never got to know him as well as they would have liked. I feel fortunate to have had the chance to share even a fraction of my life with him. I am richer for it as are all who were lucky enough to know him. You are in my thoughts and prayers.
