“ I just learned of this sad event. I'm so sorry to hear this. My sympathies to Tami and all his many friends. Bill was a friend all the years I worked with him. It's a great loss to all.

“ Bill was a great real estate man. Full of enthusiasm with lots of positive energy. Loved many years ago when he proudly showed off the new offices the company had recently moved into. Innovate guy. Thank God for Bill - wonderful example!

“*"Billy" was a wonderful high school hockey teammate. Talented, cheerful, humble and wise beyond his years. And for me, he epitomized the old Christian axiom...."preach the Gospel always, if necessary use words. Little did I know at that time, Bill would be part of the foundation of my own faith journey.*
