

Dr William M Stauffer

February 12, 2014

Stauffer, Dr. William Moyer age 77, passed away on February 12, 2014. Preceded in death by his parents, William and Hazel Stauffer. Bill was a devoted husband, father, brother, and friend. Born and raised in Allentown, PA. Raised his family and enriched his community in Edina. He was a lifelong learner with passion for languages, culture, nature, history, science, travel, and, of course, birds. His humor, humility, and genuine interest in others gained him life-long friendships all over the world. In his care as an anesthesiologist, patients were put at ease with his gentle manner and sense of humor. He knew the beauty of the spring migration, a fine meal, and would light up in the sweet love of his grandchildren. His shortcuts were almost never shorter, but always left you richer by plenty of jokes, a new bird, or some little known trivia. Bill was a kind soul who is beloved by his whole family. Survived by his loving wife of 51 years, Ruth; daughter, Jeni Stauffer and sons, Bill (Carol) Stauffer and Chris (Parul Matani) Stauffer; brother, Tim (Judy) Stauffer and four grandchildren, Jacob, Max, Sophie, and Samir Stauffer; as well as many other relatives and friends. In lieu of flowers, memorials will be added to a donation supporting his passion (carolistauffer@gmail.com). Memorial Service 10:30 am Saturday, Feb. 22 at Friendship Village, 8100 Highwood Drive, Bloomington, MN 55438. www.WasHburn-McReavy.com Edina Chapel 952-920-3996
