“ *Prayers are being sent to your families Judy...Tiff and Robert. Bill was so much fun to visit with and I'll just share that he used to always give "me" credit for Robert's enthusiasm in cars as Robert would go for a ride around town with me in my Mustang's when I was in high school. I always reminded Bill that it was "he" that had the way cooler cars(Corvettes) than I and I'm sure Robert got that love of vehicles from him. Bill was a great man and will surely be missed. You all are in my thoughts and prayers.*
