

William C. Zeigle

April 28, 1933 - August 19, 2024

With heavy hearts, we remember my father, Bill Zeigle, who passed away early this morning. He was a long-time resident of Bloomington, Minnesota, was a cherished husband, father, grandfather, and friend. He is predeceased by his beloved wife, our mother Helen, who left us in 2007.

Bill is survived by his devoted sons, Mike and Matt. Mike, with his wife Jill, along with his granddaughters Melanie, Sydney, and Danielle, who brought immeasurable joy to his life.

A dedicated father and long-time employee of Wausau Insurance, Bill was known for his unwavering commitment to his family and his work. He was also a long-time member of St. Edward's church in Bloomington, where his faith and community spirit shone brightly.

With the help of family, his amazing friends and caregivers, my Dad was able to safely and comfortably live out the last few months of his life at The Meadows in Savage, Minnesota. Their kindness and support provided him with comfort and peace during this time.

His passion for life extended beyond his professional achievements; he was an avid golfer and an enthusiastic fisherman. Whether casting a line in the serene lakes of Minnesota, exploring the vast waters of Canada, or experiencing the thrill of fishing in Alaska, Bill found joy and solace in the great outdoors.

My dad's memory will live on through the countless stories shared by his family and friends. He will be deeply missed, but his legacy of love,

dedication, and adventure will remain forever in our hearts.

In his final months, Bill received compassionate care and support from the wonderful staff at The Meadows in Savage, Minnesota. Their kindness ensured that he was comfortable and at peace.

Rest in peace, Dad. Your spirit lives on in the cherished memories and the love you have given us all.

“ We were very saddened to learn of Bill's passing. Bill and Helen were our next door neighbors for many years and were two of the nicest, kindest people we knew. We'll always remember the treats Helen baked for us and the wonderful aroma of Bill's pipe tobacco when he was working outside. They showed us what it meant to be good neighbors, and we have tried to emulate them in every house we've lived in. They will always be in our hearts and memories. Our heartfelt sympathy to their children and grandchildren.

“ Our Deepest Sympathy. We were fortunate to have Bill and your Mom as neighbors for many years. Bill a great friend who always had time to chat and listen. We shared many holidays at their home, always good food and drink! Our kids enjoyed the swim pool which was open at anytime for our family.
The cross is in memory of your Dad. He will always remain in our hearts.
God Bless
