“ Aunt Winnie was absolutely the best! Even at some of the lowest points in my life, I was always met with a smile; even something positive to say when I didn't deserve it; a way to make me laugh; and occasionally sing “O Danny Boy” to me. We shared a love for horses, music, and her kids (the closest cousins that I grew up with!) As a young married adult, she helped us buy a house and she immediately loved Laurie as much as me. After we left MN, she always wanted to come see us but couldn't make the trip herself (and as much as Christine loved her, she said she couldn't do a road trip with Winnie because she wouldn't leave the radio and heater / AC controls alone for more than 5 minutes!!! Hahahaha) I will miss her contagious laughter and hugs but mostly I'll miss how in the last 5-10 years of how she would tell me about how much she loved Jesus and couldn't wait to meet him face to face. And now I will look forward to the same thing and I'm sure that she will be one of the first people I reconnect with after Jesus welcomes me “home” as well... for eternity!
