“ I am the son of Marion (Renander) Stafne, grandson of Oscar and Elda Renander. Winnie was always a good friend to my mother but I never understood the connection but she was always treated as family. It wasn't until her passing did mom explain that Winne was the Flower Girl at Oscar and Elda's wedding in August 1925, Winnie was 5 years old. My mom was also a Nursing Student at Mounds Midway. Before mom passed away on March 23, 2017 she passed on her Zucchini Bread recipe which she got from Winnie.

Tomorrow is Oscar's Birthday, he was born on October 11, 1892. For his birthday I will honor both him and Winnie by making her Zucchini Bread at dinner!

My sympathies for your lost, she will never be forgotten as I've passed on her story along with her recipe to my children!
